The RECAP

April 2014

## PRESIDENT'S COLUMN

Ed Yosses

We held the first Unit game at our location, Christ United Methodist Church, 301 E. Drake in Fort Collins, in February. It is a few miles south of the previous location so a bit closer for the Loveland, Boulder, and Greeley folks. The facility itself is very nice. While there was some concern expressed by the search committee over the lighting, it was quite good even on an overcast day.

As for future Unit games, the Board has decided until further notice to no longer hold a separate 199er game. Instead, we will incorporate the 199 players into the Open game by using a 0-500 flight. The 199er game did not generate enough tables to warrant a separate section, in part because some 199ers chose to play in the Open event.

My first official act as President was to assign to each Board member responsibility for reviewing several Unit and District websites across North America for the purpose of identifying ways to improve our Unit. I am excited to hear (at the May 14, 2014, Board meeting) what others have learned! I believe we have a great Unit, but we should not rest on our past success.

"Know your opponent" is an important aspect of any form of competition. In that spirit, we have included in this issue a list of our Unit's top 100 masterpoint holders. The list contains less than one-half of all of our members. A later issue will list the remaining members.

Also, please take note of the unit-wide Ace of Clubs and Mini-McKenney winners on page seven. In 2013 each won the most masterpoints at the club level and/or overall respectively in their rank. Congratulate them the next time you see them! In addition to the recognition, each Ace of Club winner will receive a certificate from the ACBL and all have received a free play at a future Unit game.

# IMPROVE YOUR PLAY

With Larry Matheny

Before making an opening lead, it is always a good idea to review the auction. However, some defenders interpret the information better than others.

Scoring: Matchpoints (Pairs)

**Bidding:** North's 2♦ was game forcing. After North agreed to spades, South made a club cue bid and North cooperated with a diamond cue bid. Next, South jumped in spades, asking if North held a heart control. North's holding was a dreadful three small, so she quickly passed.

**Play:** Now it was up to West to find the right lead. The auction begged for a heart lead, so he put his ace on the table. East encouraged with the seven and soon won the second heart trick. However, that was all for the defense as declarer soon claimed the rest.

A more thoughtful West would realize that since both opponents denied holding a first or second round heart control, a low heart could not hurt. As we can see, a low heart to East's king followed by a heart back through the queen would defeat the contract.
