PRESIDENT'S COLUMN

Larry Matheny

The news in Unit 363 continues to be very positive. Our membership is up, the attendance at our unit games and local clubs continues to grow, and our recent sectional set all-time attendance records. I think it's safe to say that bridge is alive and well in Northern Colorado. Much of this success is the result of new and returning players flocking to the bridge tables. Our 199'er events continue to grow and we are planning our first 299'er Unit Game in November.

Your Unit Board is looking for ways to maintain this momentum. Some possibilities are mentoring sessions for our new players, additional lessons for both novice and intermediates, and increased advertising to attract even more bridge players. In the meantime, we have to meet the needs of our current membership and that means providing a pleasant atmosphere in a challenging environment. The unit board members and club managers need to be informed when we fail to accomplish this. Please let us know what we can do to improve the game.

Mark Spaeth and Theo Meyer placed 14th in A and 1st in B in the May 12 Western Conference STaC game, with 65.39% in a 496 ½ table game. They earned 15.25 Silver Masterpoints for their efforts. Congratulations to you both!

SUMMER SECTIONAL BREAKS RECORDS AGAIN!

By Marilyn Pultz

Two years in a row now, our Summer Sectional has broken attendance records, with 319½ tables during the weekend of August 24 – 26 (up from 255 ½ tables last year). We offered a 3-session Knockout, our Unit's first, which was very successful with 19 teams competing. There were enough teams so that one bracket was composed entirely of 199ers. Way to go, 199ers! Keep up the great participation and great playing! Other good news is that every event was a little larger than last year, and we had no incredible thunderstorms this year to soak everyone. Because we expected attendance to be up, we planned for two Tournament Assistants, Club directors who hold additional qualifications enabling them to help assist in running the Sectional. Barbara Meier and Marlene Aranci served in this capacity during the weekend and did their usual excellent job.

Coffee and homemade goodies were aplenty and delicious, the lasagna lunch was tasty on Sunday, and the 4 inch foam padding on The Ranch's chairs is still holding up quite nicely, continuing to earn us the informal award for "best chairs in the West".

Our great thanks go again to Bill Stoltey and Bill Follis for organizing and running such a flawless tournament. As always, they had lots of help from the set up and take down crew, the hospitality crew, partnership desk, and all other people who worked long and hard in the background, the caddies, and all the directors. This is the end of their two-year term as co-chairs of the tournament and we give them our thanks.

Steve Turner Wins Trophy!

The other noteworthy accomplishment is that Steve Turner won the Masterpoint Trophy, the trophy awarded to the Northern Colorado player who wins the most masterpoints during the 3-day tournament. Congratulations Steve!

Election of the Unit Board

The October Unit game will provide the setting for this year's annual membership meeting and election of Unit 363 board members between sessions Saturday, October 20, 2007, at the All Saints' Episcopal Church in Loveland. The nominating committee of Neil Petrie, Ann Molison, and Steve Turner has selected the following candidates for your consideration: (1) Andrea French, (2) Sue Simmons, (3) Doug Watt, and (4) Ed Yosses. Additional nominations may be made by the membership from the floor prior to the voting. A unit member making such a nomination must have prior consent of the nominee. Nominees must be members in good standing of the Unit for the past year and will serve a two-year term if elected. Absentee ballots must be mailed to the Board Secretary, Bill Stoltey, 3407 Avon Court, Fort Collins, CO. 80526, post-marked no later than October 10, 2007. The ballot must be enclosed in a plain unmarked envelope and must be accompanied by a separate letter showing the name of the member casting the absentee vote.

In this issue of the newsletter we introduce a new section "Did You Know?" containing information pertaining to the laws of duplicate bridge. The selected topics appear as direct quotes from "Duplicate Decisions" published by the ACBL (2004) and sold as a "plain English" interpretation of the Laws book.

DID YOU KNOW?

By Dawn Foltz

Law 42 states in part:

Dummy's rights: "Dummy plays the cards of the dummy as declarer's agent as directed. Dummy may not inform declarer that he has a trick turned incorrectly unless he does so immediately."

Note: There is no automatic penalty for an infraction of this nature. The Director should consider an adjustment whenever dummy's action may have aided declarer's play.

THE GRAND FINALE

By Joyce Glittenberg

To bid and play in skillful measure
To scan the mind and seek the treasure
Lo, the bid is resolved
And the play is solved
Given a choice thirteen is the very best
I have now arisen to the ultimate test
Will I not come to the right conclusion?
Will it all be an illusion?
The masters know just what to do
If I follow in their mindsets, I will too.

USEFUL CONVENTIONS

Jacoby 2NT -- Forcing Major-Suit Raise

By Larry Matheny

Playing a Standard American bidding system, there are several ways to show trump support after partner opens 1♥ or 1♠:

1. A simple raise to two (1♠-2♠), to show 6-9 pts.
2. A jump to three (1♠-3♠), can be played any of three ways depending on your preference: 1) as a **forcing raise** (13+ pts.); 2) as an invitational **limit raise** (10-12 pts.); or 3) as a weak raise (0-7 pts).
3. A jump to game (1♠-4♠), to show limited high-card points (usually about 5-9), but great trump length and playing strength.

If you play the jump to 3 as a limit raise or weak raise, you have a somewhat awkward problem when you hold a forcing-to-game hand with trump support. One solution is to bid a new suit first, temporarily "concealing" your support, then jump to game in partner's suit at your next turn (an auction like 1♠ by partner - 2♣ by you - 2NT - 4♠).

There are a number of different conventions designed to help you describe these strong hands. One of the most popular is the Jacoby 2NT, invented by Oswald Jacoby. To use this convention, your partnership agrees that after you open 1♥ or 1♠ and your partner is an **unpassed hand**, his jump to 2NT shows:

- Forcing-to-game strength (13+ points)
- Good trump support (4 or more cards)

The 2NT response forces you to at least game level. It is not a suggestion to play in notrump; it shows support and asks the 1♥ or 1♠ opener to further describe his hand.

Opener's rebids

In addition to giving responder a direct way to show a forcing hand, the Jacoby 2NT improves the accuracy of your slam bidding. Its biggest advantage is that it gives opener room to further describe his hand. There are a number of different meanings you can assign to opener's rebids. Here is one of the most commonly used structures:

If you open 1 of a major and partner responds 2NT:

- If you have a second 5-card suit (QJ10xx or better), jump to 4 of the suit.
- With any other hand that has a singleton or void, bid 3 of that short suit.
- If you have extra values (but no singleton or void), describe your strength and pattern by rebidding 3NT with a fairly balanced hand **or** 3 of your suit with extra length (a 6+-card suit).
- If you have a minimum opener with no singleton or void, jump to 4 of your suit. This is your weakest rebid. It shows a fairly balanced hand with no interest in slam.

For example, after you open 1♠ and partner responds 2NT, the meanings of your rebids are:

- 3♣, 3♦ or 3♥ = Singleton or void in that suit.
- 3♠ = Good 14+ pts. with extra length in your suit (or 19+ pts. if you're balanced).
- 3NT = 15-18 pts., balanced (no singleton or void).
- 4♣, 4♦, 4♥ = Decent 5-card side suit (QJ10xx or better).
- 4♠ = Minimum hand (12-14 pts.), no singleton.

Once responder has this information, he can decide how to proceed. If he's not interested in a slam, he can just bid game. If he wants to explore further, he can cue bid a new suit to show an ace. This requests opener to cue bid an ace.

Here's the convention in action:

♠KJ832	♠A10764
♥A65	♥KQ5
♦10	♦872
♣A954	♣K7

<u>Opener</u>	<u>Responder</u>
1♠	2NT
3♦	4NT
5♥	6♠

After responder uses the Jacoby 2NT, opener bids 3♦ to show his singleton. This is encouraging news for responder because it means his club and heart honors will fit well in partner's hand. Knowing that his xxx suit is covered by opener's singleton -- and that opener's outside strength is in clubs and/or hearts -- responder uses Blackwood to check on aces, and bids his 24-point slam.

Note that responder would evaluate his hand very differently if opener's answer to the Jacoby 2NT had been 3♣ or 3♥. Singletons in these suits wouldn't be helpful because responder's kings may well be "wasted" cards opposite the singleton. Over opener's 3♣ rebid, responder would just jump to 4♠ to show that he no longer had interest in slam.

♠QJ10543	♠AK72
♥AKJ	♥105
♦32	♦KQ54
♣K9	♣A62

<u>Opener</u>	<u>Responder</u>
1♠	2NT
3♠	4♣
4♥	6♠

Opener's 3♠ rebid denies a singleton, but promises a good (somewhat distributional) opener. Responder shows slam interest by cue bidding his club ace and opener cooperates by cue bidding 4♥. This shows the heart ace and **denies** the diamond ace (since he'll cue bid his **cheapest** ace). Responder now knows that the partnership has extra values, control of every suit and exactly three aces. Since he doesn't need to use Blackwood (a grand slam is out of the question), he jumps to 6♠.
